Mr. Larry Tucker
Naval Facilities, Engineering Command
Engineering Field Activity, NW
19917 7th Avenue NE
Poulsbo, WA 98370-7570

Dear Mr. Tucker:

Thank you for sending us the Second Five Year Review report for the Naval Magazine Indian Island, Port Hadlock, Washington, site. Based on our review of the report, dated February 2005, and the Errata Sheet, dated June 29, 2005, we concur with the protectiveness determination in the report.

Sincerely,

Daniel D. Opalski, Director
Office of Environmental Cleanup
