In re: Stockton Oil Company Docket No. RCRA-08-2014-0002	)))))))	RCRA (9006) Appeal No. 16-01

LIMITED REMAND ORDER TO ALLOW EPA REGION 8 TO CONSIDER RATIFICATION OF CONSENT AGREEMENT

On June 8, 2016, the parties in this matter filed with the Environmental Appeals Board ("Board") a Consent Agreement in order to resolve an enforcement action brought under the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901-91. The Board directed the parties to file the Consent Agreement with the Clerk of the Board in the Board's June 1, 2016 Order. The Board now remands this matter on a limited basis to EPA Region 8 (either the Regional Administrator or Regional Judicial Officer, as set forth in the applicable delegation) for the sole purpose of considering ratification of the Consent Agreement.

While the Board is remanding this matter on a limited basis, the Board otherwise retains jurisdiction. In light of this limited remand, any final order entered by EPA Region 8 will not dispose of these proceedings. Rather, the parties must notify the Board upon ratification or rejection of the Consent Agreement and file with the Board any associated order ratifying or rejecting the Consent Agreement by June 24, 2016. Thereafter, the Board will take appropriate

action to conclude this appeal. *See* 40 C.F.R. §§ 22.18(b); 22.30. The Board further extends the stay of this matter to July 1, 2016.

So ordered.
