Subject:	Closure of Administrative Order - Flat Creek RV, WY5601273, Docket No. SDWA-08-2017-0011 (Lincoln County)
Date:	Wednesday, June 20, 2018 4:03:35 PM

Roxane and Kelly:

The EPA has decided to close the Administrative Order (Order) regarding drinking water violations at the public water system (System) specified in the subject line because the Order required monthly total coliform bacteria monitoring from June through September and the System is now classified as year-round.

You are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

If you have any questions regarding this matter, please contact me.
