Subject: Significant Revision to Title V Facility Permit, Revision No. 2.
OC Waste & recycling, Prima Deshecha (Facility ID 052753)

Dear Mr. Giancola,

Enclosed please find the Significant Revision (Section D Rev. 02 and Section H Rev 01) to the Title V facility permit, for the Orange County Waste & Recycling (OCWR), Prima Deshecha Landfill, (Facility ID 052753), located at 32250 La Pata Avenue, San Juan Capistrano, California. On January 29, 2010, the South Coast Air Quality Management District (AQMD) issued draft permit for Environmental Protection Agency's (EPA) review, and no comments were received from EPA. No public comments were received for the public notice issued for significant permit revision.

The significant revision includes the following permits in Sections D & H.

SECTION D: PERMITS TO CONSTRUCT AND PERMITS TO OPERATE

Appl. No.	Description
497358	Fuel storage & dispensing gasoline equipment
503282	Installation of an emergency IC engine for power generation.

SECTION H: PERMITS TO CONSTRUCT

Appl. No.	Description
492235	Alteration/Modification to the LFG collection system, F38717 (A/N 384568)
499317	Alteration/Modification to the Landfill Condensate and LCRS Collection and Storage System, F38427 (A/N 456274)

In additions to the above sections, we are also enclosing a revised copy of the rest of your Title V permit which reflects an administrative revision for change of the facility name from OC-IMWD to OC Waste & Recycling, Prima Deshecha.

Please review the attached pages carefully. Insert the enclosed section(s) in your Title V Facility Permit and discard the earlier versions. Questions concerning this revised permit should be directed to Mr. Gaurang Rawal at (909) 396-2543.

The operation of your facility is bound by the conditions and/or requirements stated in your Facility Permit to Operate. If you determine any administrative errors, please contact Mr. Gaurang Rawal at the above number within 30 days of receipt of your permit.

Sincerely,

Jay Chen, P.E.
