Dear Holli Jones,

The EPA has decided to close the Administrative Order (Order) regarding the public water system specified in the subject line. The EPA has determined that the requirements of the Order have been completed.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Please note, the Administrative Order for Deer Haven Lodge remains open.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.

Best,

Steven Latino
