The EPA has decided to close the Emergency Order (EAO) issued to the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-Day Saints on August 2, 2017, concerning the above referenced Public Water System. The EPA has determined that the requirements of the EAO have been completed.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations),
40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.
