Re: Proposed De-minimis Significant Revision to Title V Permit for OC Waste & Recycling (OCWR), Prima Deshecha Landfill Facility (ID# 52753)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V Permit for Orange County Waste & Recycling (OCWR), Prima Deshecha Landfill (ID # 52753), an active landfill, located at 32250 La Pata Avenue, San Juan Capistrano, CA, in Orange County. This revision is considered to be a de-minimis significant permit revision under A/N 576058. Engineering evaluations for the proposed landfill gas collection system modifications and Title V permit revision are included here. Public notice is not required. We are enclosing appropriate pages of Section D pertaining to the following application.

SECTION D: Facility Equipment and Requirements

Appl. No.	Description
576057	Landfill Gas Collection (LFG) System modifications to existing permit to operate, G35513, by installations of LFG horizontal collectors and vertical LFG wells.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Gaurang Rawal at (909) 396-2543 or by email at grawal@aqmd.gov.

Sincerely,
