NOTICE OF RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (AQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. Rule 3006 requires that the AQMD publish this notice prior to the renewal of a Title V permit previously issued to the facility listed below:

Tesoro Logistics, Colton Terminal
2395 S. Riverside Ave.
Bloomington, CA 92316
Facility ID # 174705
Contact Person:
Ruthanne Walker
Environmental Coordinator
8601 S. Garfield Ave.
Southgate, CA 90280

This is an existing facility applying for a Title V permit renewal. The facility receives petroleum products by pipelines and truck unloading and distributes products by pipelines. Products such as gasoline, diesel oil, and ethanol are stored in a series of storage tanks. The facility has a oil/water separator tank and ethanol truck unloading rack. A vapor recovery system serves the loading racks.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility.

As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. Title V facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at the South Coast Air Quality Management District (AQMD) headquarters at 21865 Copley Drive, Diamond Bar, CA 91765, and at Colton Public Library – Main Branch, 656 North 9th Street, Colton, CA 92324. The proposed permit can also be viewed at http://www3.aqmd.gov/webappl/Public_Notices2/ by entering the facility's ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code, Section 42336, or otherwise known to the AQMD based on credible information, is also available from AQMD for public review. **Anyone wishing to comment on the issuance of the proposed renewal permit should submit their comments in writing by April 15, 2014. Written comments should be submitted to:**

South Coast Air Quality Management District
Engineering and Compliance
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Diana Thai
AQ Engineer II

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Miss Diana Thai at (909) 396-3443 or by email at DThai@aqmd.gov.

The public may request AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Diana Thai at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether or not the request is valid or a public hearing will be held. The Public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at *http://www.aqmd.gov/titlev*. **Any request for a public hearing must be submitted to the AQMD no later than April 1, 2014. A copy of the public hearing request must also be sent by first class mail to the facility contact person listed above at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
