Subject: Transmittal of Final Title V Renewal Permits

Dear Mr. Rios:

Enclosed are six final Title V renewal permits issued by the South Coast Air Quality Management District (AQMD). Attachment A of this letter is a list of the permitted facilities. The copies of the proposed Title V renewal permits and statements of basis for these facilities have been submitted to EPA Region IX for 45-day review and made available for a 30-day public comment period. The AQMD did not receive any public comments on the proposed permits.

If there are specific questions on the final permits, please contact Hamed Mandilawi of our Coating, Printing, Plating, Military, and Entertainment Operations Team at (909) 396-3275. Questions on the AQMD's Title V permitting program may be referred to me at (909) 396-2662 or William Thompson, the manager of the program, at (909) 396-2398.
