NPDES Permit No. MA0004120	)	

ORDER DISMISSING PETITION FOR REVIEW

On September 4, 2015, Invensys Systems, Inc. ("Invensys") filed a petition for review challenging a National Pollutant Discharge Elimination System permit ("Permit") issued to it on July 17, 2015, by Region 1 ("Region") of the U.S. Environmental Protection Agency. The parties subsequently requested and the Environmental Appeals Board ("Board") issued several orders staying proceedings in this appeal to allow the parties to discuss settlement.

On April 19, 2016, Invensys and the Region filed a joint motion to dismiss this appeal. The parties report that they have settled their differences by agreeing on the terms of an administrative order to comply with the Permit. The parties jointly seek dismissal of the appeal in its entirety, with prejudice.

In light of the parties' settlement of this appeal, the Board grants the parties' request and dismisses NPDES Appeal No. 15-10 in its entirety, with prejudice.

So ordered.
