Subject:	Closure of Emergency Administrative Order – MBNF- Ryan Park Campground (WY5680051), Docket No. SDWA-08-2019-0029, Carbon County
Date:	Thursday, August 8, 2019 2:23:52 PM

Hi Brian,

The EPA has decided to close the Emergency Administrative Order (Order) regarding drinking water violations at the public water system specified in the subject line. The EPA has determined that the requirements of the Order have been completed.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Please note- you are still required to complete the Level 1 Assessment required by the Revised Total Coliform Rule manager, Jamie Harris. Please continue to work with Jamie on completing this.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.

Best,

Steven Latino
