Date:	Wednesday, December 26, 2018 12:19:43 PM

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Emergency Order) issued on November 1, 2018, to Fort Berthold Rural Water (Respondent). The EPA has determined that the Respondent has completed all actions outlined in the Emergency Order and that the water provided by the Twin Buttes Public Water System (System) no longer presents an imminent and substantial endangerment to persons served by the System. Therefore, EPA will close the Emergency Order at this time.

Please be aware that the Respondent is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs may result in a court-imposed injunction and penalties of up to $53,907 per day of violation.

If you have any questions about this matter, please call Olive Hofstader at 303-312-6467.
