Mail Stop A-5-2
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Rios:

Proposed De Minimus Significant Revision to Title V Permit for Calnev Pipe Line LLC (ID# 800022)

Enclosed for your 45-day review is the proposed revision to the Title V Permit for Calnev Pipe Line LLC located at 2051 E. Slover Avenue, Bloomington, CA. This revision is considered a "de minimus significant permit revision", and a public notice is not required.

We are enclosing the revised permits as shown below and the engineering evaluation(s).

New Application No.	Previous Appl. No./Device No. Equipment	Description
451878	None Station Sump	Add existing equipment to TV Facility Permit – equipment did not have previous permit
451879	None Saturator Sump	Add existing equipment to TV Facility Permit – equipment did not have previous permit
451881	None Evaporation Pond	Add existing equipment to TV Facility Permit – equipment did not have previous permit
461445	341956/D66 Tank CN-139	Modify an existing tank by increasing throughput
461446	341958/D70 Tank CN-140	Modify an existing tank by increasing throughput
461447	341954/C20 Vapor Recovery System (Thermal Oxidizer)	Modify an existing vapor recovery system by increasing throughput
492117	02223E/D11 Tank CN-137	Modify an existing tank by replacing seals and increasing allowable vapor pressure

The Title V permit for this facility was last revised August 30, 2007. The proposed modifications will result in a total increase of emissions of 13 pounds per day of VOC. This revision is covered under A/N 451883 and will be issued in the newer format.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Ms. Linda Dejbakhsh, at (909) 396-2614, or by email at LDejbakhsh@aqmd.gov.

Very truly yours,

Jay Chen P.E.
