Subject: Proposed Minor Revision to Title V Facility Permit for Tesoro Refining and Marketing Co Refinery (Facility ID #800436)

Dear Gerardo:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for Tesoro Refining and Marketing Co located at 2101 E. Pacific Coast Highway, Wilmington, California. The revision proposed under application A/N 509443 is a Minor Revision and a public notice is not required.

The South Coast Air Quality Management District (AQMD) has received application for Permit to Operate from Tesoro for the equipment described in table below. The AQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our Rules and Regulations. The revised portion of the permit and our evaluation report are attached for your review.

Application No.	Equipment	Application Action
509444	Crude Heater H-1	Change of condition to add a new condition to clarify that the CO concentration limit of 35 ppm does not apply during startup/shutdown periods.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Ms. Sawsan Andrawis, at (909) 396-2607 or by email at sandrawis@aqmd.gov.
