Extension of the Public Comment Period in the Matter of Significant Modifications to the Clean Air Act Permitting Program Permit for the Ameren Energy Generating Company Coffeen Energy Center through December 24, 2012

On November 15, 2012 the Illinois Environmental Protection Agency (Illinois EPA) conducted a public hearing in this matter. The post-hearing public comment period was to run through December 17, 2012. The Illinois EPA is extending the comment period in this matter December 24, 2012. All relevant comments postmarked on or before December 24, 2012 will be considered by the Illinois EPA in making a final decision in this matter.

All parties are cautioned that the extension of the post-hearing comment period in this case is not to be construed as being applicable to other proceedings.

Dean Studer, Hearing Officer
