Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its engineering review of the enclosed Title V permit renewal application (A/N 497632) for Sunshine Canyon Landfill, located at 14747 San Fernando Road, Sylmar, CA, in Los Angeles County. This facility is an active municipal solid waste landfill.

The proposed permit also includes modifications to the existing flaring stations and installation of a new flare as described in the list below. The proposed modifications are categorized as Minor, De-Minimis Significant and Significant Revisions.

Appl. No.	Existing Application/Permit No.	Equipment	Description
527409	330383/F9412	Flare No. 1	Equipment description change - replacement of one of the landfill gas blowers (Minor Revision)
527410	457396/F86506	Flare No. 8	Equipment description change - to reflect changes in landfill gas blowers (Minor Revision)
527411	207173/F23230	Flare No. 3	Equipment description change – to reflect changes in landfill gas blowers and increase in ROG emissions limit from 0.25 lb/hr to 0.63 lb/hr (De-Minimis Significant Revision)
526972	N/A-	Proposed Flare No. 9	New flare to supplement the existing landfill gas combustion capacity (Significant Revision)
527679	N/A	All Flares	CAM Plan

In addition, pursuant to AQMD Rule 212 – Standards for Approving Permits, subdivision (c)(2), new or modified sources exceeding any of the specified daily maximums are subject to public notification and comment provisions of 40 CFR Part 51, Section 51.161(b), and 40 CFR Part 124, Section 124.10. The AQMD has evaluated these applications and made a preliminary determination that the proposed revisions will comply with all of the applicable requirements of our Rules and Regulations. The public notice requirements for Rule 212 and Rule 3006 have been combined into one notice to be conducted simultaneously.

Enclosed for your 45 day review is the proposed Title V permit, the Statement of Basis, the Title V renewal permit applications, the engineering evaluations for the applications described above and the public notice. AQMD intends to publish a 30-day public notice shortly and make the proposed renewal permit available for public review in accordance with Rule 3006 and Rule 212.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Atul Kandhari at (909) 396-2477 or by email at akandhari@aqmd.gov prior to closing dates of the review periods.

Sincerely,
