Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its engineering review of the proposed Title V permit renewals for the above facilities. Enclosed are the proposed Title V permit renewals, the permit applications, the statements of basis, permit summaries, and engineering evaluations for all three sites, and the public notice letter for your 45-day review and commenting period.

AQMD intends to publish a 30-day public notice in parallel to your review and will make the proposed Title V permit renewals available for public reviewing in accordance with Rule 3006. If you have any questions or comments regarding this project, please call the processing engineer, Mr. Abdi Majidifar by email at amajidifar@aqmd.gov or by telephone at (909) 396-2449 prior to the closing date of the review period.

Sincerely,

Andrew Lee, P.E.
