Dear Ms. Wisdom:

Please find attached a Significant Permit Revision to your Title V Facility Permit. This permit revision includes three permit applications. The revisions include the following sections:

- Title Page and Table of Contents – Revision # 49, August 19, 2009
- Section H – Revision #30, August 19, 2009

The three permit applications included in this permit revision and the facility permit amendment application are described below.

#	A/N	Equipment	Device ID	Permit Action	Section	Process	System
1	498235	Emergency Internal Combustion Engine	D966	PTC for new emergency fire pump	H	12	8
2	498236	Emergency Internal Combustion Engine	D968	PTC for new emergency fire pump	H	12	8
3	472048	New Storage Tank No. 2625	D958	Remove condition I30.1	H	10	7
4	498245	-	-	Title V facility permit amendment	-	-	-

The proposed permit revision was submitted for EPA's 45-day review and 30-day public notice in July 2009. No comment was received from EPA or the public.

Please review the attached sections of the Facility Permit carefully. This revision of your Facility Permit replaces the earlier versions. If you have any questions, please contact Mr. Jonathan Uhl at (909) 396-2725 or juhl@aqmd.gov.
