This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates heat set lithographic printing systems and other supporting equipment. Volatile organic compound emissions from the dryers of the heat set lithographic printing systems are controlled by air pollution control equipment afterburners.

Pursuant to Title V of the federal Clean Air Act and SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the SCAQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the SCAQMD, 21865 Copley Dr., Diamond Bar, CA 91765, the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5th Street, Los Angeles, CA 90071, and on our website at www3.aqmd.gov/webappl/publicnotices2/, by entering the company's name or facility ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District
Coating, Printing, Plating, Military, and
Entertainment Operations Team
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Hamed Mandilawi

Comments must be received by November 3, 2015. The SCAQMD will consider all public comments and may revise the Title V permit in accordance with SCAQMD rules and regulations.

The public may request the SCAQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above SCAQMD address. The SCAQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the SCAQMD website at *http://www.aqmd.gov/home/permits/title-v/public-notices-and-hearings*. Requests for public hearings are due by October 16, 2015. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
