These facilities operate landfill gas fired internal combustion engines driving electric generators.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facilities submitted a Title V permit renewal application in order to renew their Title V permit. The proposed permit incorporates updates to the facility information and all rules and regulations that are currently applicable to the facility.

As required by Title V of the federal Clean Air Act, Title V permits include all the emission limits and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permits are available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Colton Library, 656 N. 9th Street, Colton, CA, Ontario Public Library, 215 East C Street, Ontario CA, and the Rialto Public Library, 251 West 1st Street, Rialto, CA. The proposed permits can also be viewed at *http://www3.aqmd.gov/webappl/PublicNotices2/Search.aspx* by entering the facility's ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed permits should submit their comments in writing by October 15, 2013.** Written comments should be submitted to:

Attention: Abdi Majidifar
AQ Engineer II

If you are concerned primarily about zoning decisions and the process by which these facilities have been sited at the above locations, you should contact your local city or county planning department. For additional information, please contact Mr. Abdi Majidifar at (909) 396-2449 or by email at amajidifar@aqmd.gov.

The public may request AQMD to conduct a public hearing on the proposed Title V permits by submitting a Hearing Request Form (Form 500-G) to Abdi Majidifar at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether the request is valid and if a public hearing will be held. The public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at *http://www.aqmd.gov/permit/Formspdf/TitleV/AQMDForm500-G.pdf*. **Any request for a public hearing must be submitted to the AQMD by October 1, 2013. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
