Jamie and Marie Freeman,

Please share this email with Chuck Goodman, Sunridge Estates President, and Bev Tyler, Gardens North HOA President, as we do not have email addresses for them.

The EPA has decided to close the Administrative Orders (Orders) regarding drinking water violations at the public water systems specified in the subject line. The EPA has determined that the requirements of the Orders have been completed and the 2018 sanitary surveys did not detect any significant deficiencies.

Please be aware that the Systems still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.
