SUBJECT: Sunshine Canyon Landfill
Title V Facility Permit Revision #3 (Facility ID 49111)

Dear Mr. Bratton,

Please find attached the revised Title Page, Table of Contents, Section A and Section D of your Title V Facility Permit. The revised sections reflect the approval of a Deminimis revision of the Title V Permit. The South Coast Air Quality Management District (AQMD) issued a draft permit for Environmental Protection Agency (EPA) review on October 20, 2010 and no comments were received from the EPA. No public notice was required for a Deminimis revision. Changes to your Title V permit are as follows:

SECTION D, PERMIT TO OPERATE

Appl. No.	Description
510147	New landfill leachate/condensate collection and treatment system.

In addition to the above, we have also revised the contact person, the contact title and telephone number in Section A and deleted application number 387641 from Section D due to equipment removal, under Administrative revision.

Please review the attached pages and then insert the enclosed sections into your Title V Facility Permit and discard the earlier versions. If you have any questions concerning changes to your permit, or if you determine any administrative error, please contact Ted Kowalczyk at (909) 396-2592 within 30 days of the receipt of your permit.

Sincerely,

Jay Chen, P.E.
