Proceeding pursuant to § 309(g) of the
Clean Water Act, 33 U.S.C. § 1319(g)

Docket No. CWA 02-2012-3601

CONSENT AGREEMENT AND FINAL ORDER

I. PRELIMINARY STATEMENT

1. This is a civil administrative proceeding for the assessment of a civil penalty instituted pursuant to Section 309(g)(2)(A) of the Clean Water Act (the Act), 33 U.S.C. § 1319(g).
2. The following Findings of Fact are made and Order issued pursuant to the authority vested in the Administrator of the United States Environmental Protection Agency (EPA) by the Act, as amended, 33 U.S.C. § 1251 *et. seq.*, and in particular Section 309(g) of the Act, 33 U.S.C. § 1319(g). This authority has been duly delegated by the Administrator to the Regional Administrator of Region 2 of EPA, which authority has been duly re-delegated to the undersigned Director of the Clean Water Division of Region 2 of EPA.
3. EPA is initiating and concluding this proceeding for the assessment of a civil penalty, pursuant to Section 309(g)(2)(A) of the Clean Water Act (CWA or the Act), 33 U.S.C. § 1319(g); and 40 CFR § 22.13(b) of the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits" (CROP), which set forth procedures for simultaneous commencement and conclusion of administrative civil penalty assessment proceedings through issuance of a consent agreement and final order pursuant to 40 CFR § 22.18 (b)(2) and (3).

II. FINDINGS OF FACT

1. The Municipality of Canóvanas (Respondent) is a "person" as defined under Section 502 of the Act, 33 U.S.C. § 1362.
2. On April 15, 2011, personnel from the U.S. Army Corps of Engineers (the Corps), Antilles Regulatory Section observed a discharge of fill material into waters of the United States, specifically wetlands, without Department of the Army authorization.
3. The site of the discharge is Palmer Street, near the intersection with Hwy PR-3, Canóvanas, Puerto Rico.
4. The purpose of the discharge was to construct an athletic track.
5. The wetlands are adjacent to Bocaforma Creek, a tributary to Rio Grande de Loiza, which discharges into the Atlantic Ocean.
6. The area of the discharge was approximately two acres.
7. The fill material was discharged using mechanized construction equipment.
8. On May 26, 2011, the Corps issued a Cease and Desist Order to Respondent for the unauthorized discharge.
9. Upon issuance of the Cease and Desist Order, the Corps referred the case to EPA for further investigation and enforcement action, as a repeat violation of Section 404 of the Act, 33 U.S.C. § 1344, pursuant to the nationwide Memorandum of Agreement between the Corps and EPA concerning enforcement of Section 404 of the Act.
10. On January 11, 2012, EPA inspected the site and observed the fill material discharge in wetlands.
11. The affected wetlands are waters of the United States, which came under the jurisdiction of the EPA and the Corps effective September 1, 1976. The Act's jurisdiction encompasses "navigable waters" which are defined as "waters of the U.S" in Section 502(7) of the Act, 33 U.S.C. § 1362(7).
12. The mechanized construction equipment utilized to complete the discharge is a "point source" within the meaning of Section 502(14) of the Act, 33 U.S.C. § 1362(14).
13. The fill material that was discharged constitutes a "pollutant" within the meaning of Section 502(6) of the Act, 33 U.S.C. § 1362(6).
14. The discharge of the fill material into waters of the United States constitutes a "discharge of pollutants" as defined by Section 502(12) of the Act, 33 U.S.C. § 1362(12).

15. Section 301(a) of the Act, 33 U.S.C. § 1311(a), prohibits the discharge of pollutants into waters of the United States except as in compliance with Sections 301, 306, 307, 318, 402 and 404 of the Act.
16. Section 404 of the Act, 33 U.S.C. § 1344, authorizes the Secretary of the Army to authorize discharges of dredged and fill material into navigable waters of the United States.
17. The discharge of pollutants, consisting of dredged and fill material, into navigable waters of the United States without authorization from the Secretary of the Army as provided by Section 404 of the Act, 33 U.S.C. § 1344, from a point source, is unlawful under Section 301(a) of the Act, 33 U.S.C. § 1311(a).
18. The Secretary of the Army has not issued authorization pursuant to Section 404 of the Act for the discharge of fill material at Palmer Street, near the intersection with Hwy PR-3, Canóvanas, Puerto Rico, for the construction of an athletic track.
19. EPA, simultaneously with this Consent Agreement and Final Order (CA/FO), is notifying the Commonwealth of Puerto Rico regarding this proposed action by mailing a copy of this Complaint and Notice to the appropriate Commonwealth officials, and offering an opportunity for the Commonwealth to confer with EPA on the proposed penalty assessment pursuant to 40 C.F.R. § 22.
20. EPA has notified the public of this proposed action by posting notice of this proposed action on the EPA website.

III. CONCLUSIONS OF LAW AND JURISDICTION

21. Based on the above Findings, this CA/FO alleges that Respondent is in violation of Section 301 of the Act, 33 U.S.C. § 1311, for the discharge of pollutants consisting of fill material into waters of the United States from a point source without authorization by the Secretary of the Army as provided by Section 404 of the Act, 33 U.S.C. § 1344.
22. EPA has jurisdiction over the subject matter of this action, pursuant to Section 309 of the Act, 33 U.S.C. § 1319, and over the Respondent.

IV. CONSENT AGREEMENT

23. Paragraphs 1-22 are re-alleged and incorporated herein by reference.
24. EPA and Respondent agree that it is in the public interest to resolve the issues alleged in this Consent Agreement without further litigation and the expense and effort that litigation entails.

25. Based upon the foregoing and pursuant to Section 309(g) of the Act, 33 U.S.C. § 1319(g), and the CROP, it is hereby agreed by and between EPA and Respondent, and Respondent voluntarily and knowingly agrees as follows:

V. TERMS OF SETTLEMENT

26. This CA/FO shall apply to and be binding upon Respondent, its officers, directors, employees, successors and assigns.
27. Respondent shall provide a copy of this CA/FO to all officers, employees, and agents whose duties might reasonably include compliance with any provision of this CA/FO.
28. In any action to enforce this CA/FO, Respondent shall not raise as a defense the failure by any of its officers, directors, employees, agents, or contractors to take any actions necessary to comply with the provisions of this CA/FO.
29. For the purpose of this proceeding, Respondent stipulates that:
- a. EPA has jurisdiction over the subject matter alleged herein and that this Consent Agreement states a claim upon which relief can be granted against Respondent;
 - b. Respondent waives any defenses they might have as to jurisdiction and venue;
 - c. Respondent hereby consents to the terms of this CA/FO and admits the factual and legal allegations contained herein;
 - d. Respondent hereby waives its right to a judicial or administrative hearing or appeal on any issue of law or fact set forth herein; and,
 - e. Respondent consents to the payment of the civil penalty cited in Paragraph 30 below.

Pursuant to Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g), the nature of the violations alleged herein and other relevant factors, Complainant and Respondent agree that an appropriate civil penalty to settle this proceeding is in the amount of **fifteen thousand dollars and zero cents (\$15,000.00)**.

In addition, a late payment handling charge of \$15.00 will be assessed for each 30-day period (or any portion thereof) following the due date in which the balance remains unpaid. A 6% per annum penalty also will be applied on any principal amount not paid within 90 days of the due date.
40. Pursuant to Section 309(g)(9) of the Clean Water Act, 33 U.S.C. § 1319(g)(9), if payment is not received by the due date, a quarterly nonpayment penalty will be imposed for each calendar quarter during which such nonpayment persists. The quarterly nonpayment penalty is 20% of the aggregate amount of penalties and quarterly nonpayment penalties, which are unpaid as of the beginning of such quarter. You also may be required to pay attorneys fees and costs for collection proceedings in connection with nonpayment.
41. The penalty to be paid is a civil penalty assessed by the EPA and shall not be deductible from Respondent's federal or Commonwealth of Puerto Rico taxes.

VII. GENERAL PROVISIONS

42. The provisions of this Consent Agreement shall be binding upon Respondent, its officers, directors, agents, servants, authorized representatives and successors or assigns, including but not limited to, subsequent purchasers. The Respondent waives any right it may have pursuant to 40 C.F.R. § 22.8 to be present during discussions with, or to be served with and to reply to any memorandum or communication addressed to, the Director, where the purpose of such discussion, memorandum, or communication is to discuss a proposed settlement of this matter or to recommend that such official accept this Consent Agreement and issue the accompanying Final Order.
43. Nothing in this agreement shall be construed as prohibiting, altering, or in any way limiting the ability of EPA to seek any other remedies or sanctions available by virtue of Respondent's violation of this agreement or, except for the specific violations alleged herein, of the statutes and regulations upon which this agreement is based, or for Respondent's violation of any applicable provision of law.
44. This CA/FO shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or local permit.
45. This CA/FO shall constitute a settlement by EPA of all claims for civil penalties pursuant to the Clean Water Act for the violations alleged herein. Nothing in this CA/FO is intended to, nor shall be construed to, operate in any way to resolve any criminal liability of the Respondent. Compliance with this CA/FO shall not be a defense to any actions subsequently commenced pursuant to Federal laws and regulations administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations.
