Subject: Initial Title V Facility Permit

Dear Mr. Palmer:

Enclosed is your initial Title V Facility Permit that has been issued by the South Coast Air Quality Management District (AQMD) under Application No. 537768 for your facility located at 1601 S. Shamrock Ave., Monrovia, CA 91016. As of June 17, 2013, this Title V Facility Permit replaces all existing Permits to Operate and Permits to Construct that have been issued by the AQMD to your facility (Facility ID 35188). Please review all sections of your Title V permit carefully and make sure that you comply with all monitoring, recordkeeping, and reporting requirements (i.e. semi-annual monitoring report, annual compliance certification report, etc.) specified in this Title V permit. All reporting forms can be downloaded from the AQMD website at http://www.aqmd.gov/titlev/apply.html.

Thank you for providing the necessary information that allowed the AQMD to complete the evaluation of your facility with respect to the federal Title V requirements. If there are questions on the Title V permit or revisions to the permit, please contact Rene Loof of our Coating, Printing, Plating, Military & Entertainment Operations Team at (909) 396-2544.

Sincerely
