Subject: Proposed Significant Revision to Title V Facility Permit for BP West Coast Products LLC, Carson Refinery (Facility ID #131003)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for BP West Coast Products LLC (BP) located at 2350 E. 223rd Street, Carson, California. The revision proposed under application A/N 513831 is a Significant Revision and a public notice is required.

The South Coast Air Quality Management District (AQMD) has received an application for a Permit to Construct/Permit to Operate from BP for the equipment described in table below. The AQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our rules and regulations. The revised portions of the permit and our evaluation report are attached for your review.

| Application No. | Equipment | Application(s) for |
|---|---|---|
| 513832 | Internal Floating Roof Storage Tank, Tank No. 14 | Modification of Tank No. 14 to permit storage of gas oil or untreated wastewater, in addition to materials currently allowed for storage (gasoline, sour naphtha, iso-octane, alkylate, and toluene). |

In addition, please find attached the public notice issued in accordance with Rule 3006. The public notice provides for a 30-day comment period prior to the AQMD making a final decision on the issuance of the permit. It is being published in a newspaper of general circulation in the vicinity of the facility.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Mr. Rafik Beshai, at (909) 396-3611 or by email at rbeshai@aqmd.gov.
