COMPANY SANITIZED

Subject: Notice of Substantial Risk under TSCA Sec. 8(e)

Dear Sir:

R.T. Vanderbilt hereby submits this Notice in accordance with Section 8(e) of the Toxic Substances Control Act (TSCA).

Work experience followed by patch tests of two workers has indicated that a product may cause allergic skin reaction. The proprietary product is a 2,5-Dimercapto-1,3,4-thiadiazole derivative formulated on amorphous silica, CAS Reg. No. 63231-67-4 [CBI:

In covered and uncovered patch tests, one worker had a positive allergic skin reaction to the covered test and mild reaction to the uncovered test. The other worker had only a mild reaction to the covered patch test.

If you require additional information on this submission, please contact Rasma Balodis, telephone (203) 853-1400.
