Dear Mr. Rios:

Proposed DeMinimus Significant Revision to the Title V Permit for Chevron Products Corp., Montebello Bulk Terminal (ID #800032)

Enclosed for your 45 day review is the proposed revision to the Title V permit for the Chevron USA, INC., Bulk Terminal, located at 601 South Vail Street, Montebello, CA. This revision is considered to be a "deminimus significant" permit revision. We are enclosing the appropriate pages of the proposed Section H, which includes the permit as shown below.

Section H – Permit to Construct

Application No.	Equipment	Description
513959	Vapor Recovery/Treatment System	Modification of existing system (operating under previous applications 475535 & 475536) by the removal of thermal oxidation units and addition of a regenerative carbon adsorption unit.

The initial Title V permit for this facility was issued May 25, 2009. This Title V permit revision is covered under Application No. 515416.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Mr. Tom Witte, at (909) 396-2521, or by email at twitte@aqmd.gov.

Very truly yours,
