UNITED STATES ENVIRONMENTAL PROTECTION AGENCY REGION 1, One Congress Street, Boston, Massachusetts 02114-2023 EXPEDITED SPCC SETTLEMENT AGREEMENT

DOCKET NO. CWA-01-2008-0095

On February 19, 2008 at Jack's Oil Bulk Plant, located at 955 Lewiston Road (11 Notta Lane), Topsham, Maine, operated by Independence Energy, Inc. (Respondent), an authorized representative of the United States Environmental Protection Agency (EPA) conducted an inspection to determine compliance with the Oil Pollution Prevention regulations promulgated at 40 CFR Part 112 under Section 311(j) of the Clean Water Act (the Act), 33 U.S.C. § 1321(j), and found that Respondent, as operator of the facility, had violated regulations implementing Section 311(j) of the Act by failing to comply with the Oil Pollution Prevention regulations as noted on the attached Spill Prevention Control and Countermeasure Plan (SPCC) Inspection Findings and Alleged Violations Form (Violation Form) which is hereby incorporated by reference. By its first signature below, EPA ratifies the Inspection Findings and Alleged Violations set forth in the Violation Form.

The parties enter into this Expedited Settlement in order to settle the civil violations described in the Violation Form for a penalty of \$1,500. The parties are authorized to enter into this Expedited Settlement under the authority of Section 311(b) (6) (B) (i) of the Act, 33 U.S.C. § 1321(b) (6) (B) (i), and by 40 CFR § 22.13(b).

This settlement is subject to the following terms and conditions:

EPA finds the Respondent is subject to the Oil Pollution Prevention regulations, and has violated the regulations as further described in the Violation Form. Respondent admits it is subject to the Oil Pollution Prevention regulations and that EPA has jurisdiction over Respondent and Respondent's conduct as described in the Violation Form. Respondent does not contest the Inspection Findings, and waives any objections it may have to EPA's jurisdiction. Respondent consents to the assessment of the penalty stated above.

Respondent further certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that: (1) the violations identified in the Violation Form have been corrected and the facility is now in full compliance with the Oil Pollution Prevention regulations (or that the violations will be corrected and the facility brought in full compliance with the Oil Pollution Prevention regulations within an alternative time frame agreed to by EPA in writing); and (2) Respondent has sent a certified check to EPA in the amount of \$1,500, payable to the Environmental Protection Agency. Respondent shall send the check to: U.S. Environmental Protection Agency, Fines and Penalties, P.O. Box 979077, St. Louis, MO 63197-9000. Respondent shall send a copy of the check to Diane Boisclair, Water Technical Unit, Environmental Protection Agency, Region 1, One Congress Street, Boston, Massachusetts 02114-2023. The check should reference the docket number of the case and the "Oil Spill Liability Trust Fund – 311".

RECEIVED

Upon signing and returning this Expedited Settlement to EPA, Respondent waives? The opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Expedited Settlement without further notice.

This Expedited Settlement is binding on the parties signing below, and is effective upon signature by the Regional Judicial Officer, the third signature below.

Once the Expedited Settlement is signed by the Regional Judicial Officer, the original Expedited Settlement will be filed with the Regional Hearing Clerk and a copy will be mailed to: U.S. EPA Cincinnati Finance Office, 26 W. Martin Luther King Drive (MS-002), Cincinnati, OH 45268. A copy of the Expedited Settlement will also be mailed to the Respondent.

If Respondent does not sign and return this Expedited Settlement as presented within 30 days of the date of its receipt, the proposed Expedited Settlement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the violations identified in the Violation Form.

After this Expedited Settlement becomes effective, EPA will take no further action against Respondent for the violations of the Oil Pollution Prevention regulations described in the Violation Form through the order date of this Expedited Agreement. However, EPA does not waive any rights to take any enforcement action for any other past, present, or future violations by Respondent of the Oil Pollution Prevention regulations or of any other federal statute or regulations.
