Dear Mr. Rios:

Subject: University California Irvine (ID 800288) – Title V Permit Revision

University California Irvine has proposed to revise their Title V permit under application no. 519464, by modifying the selective reduction system with the replacement of the carbon monoxide oxidation catalyst. This proposed permit revision is considered as a "minor permit revision" to their Title V permit. Attached for your review is the permit evaluation and proposed Section D. With your receipt of the proposed Section D today, we will note that the EPA 45-day review period begins on November 3, 2011.

If you have any questions or need additional information regarding the proposed permit revision, please call Mr. Marcel Saulis at (909) 396-3093.

Very truly yours,

Brian L. Yeh
