Respondent and its officers and directors are aware that the submission of false or misleading information to the United States government may subject a person to separate civil and/or criminal liability. Complainant reserves the right to seek and obtain appropriate relief if Complainant obtains evidence that the information provided and/or representations made by Respondent to Complainant regarding Respondent's claim of inability to pay, or regarding any of other matter herein at issue, are materially false, fictitious or fraudulent.

39. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment or to comply with the conditions in this Consent Agreement and the attached Final Order shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.
40. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan account rate in accordance with 40 C.F.R. § 13.11(a).
41. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
42. A late penalty payment of six percent (6%) per year will be assessed monthly on any portion of the civil penalty which remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).

43. The Respondent agrees not to deduct for federal tax purposes the civil monetary penalty assessed in this CAFO.

VII. EFFECT OF SETTLEMENT

44. The settlement set forth in this CAFO shall constitute full and final satisfaction of all civil claims for penalties which Complainant may have under TSCA for the specific violations alleged in Section IV (“Findings of Fact and Conclusions of Law”), above. Compliance with this CAFO shall not be a defense to any action-commenced at any time for any other violation of the federal laws and regulations administered by EPA.

VIII. OTHER APPLICABLE LAWS

45. Nothing in this CAFO shall relieve Respondent of the obligation to comply with all applicable federal, state, and local laws and regulations.

IX. CERTIFICATION OF COMPLIANCE

46. Respondent certifies to EPA, upon personal investigation and to the best of its knowledge and belief, that it currently is complying with applicable provisions of TSCA and 40 C.F.R. Part 745.

X. RESERVATION OF RIGHTS

47. Consent Agreement and the accompanying Final Order resolve only EPA’s claims for civil monetary penalties for the specific violations alleged against the Respondent in the Complaint. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c). Further, EPA reserves any rights and remedies available to it under TSCA and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO following its filing with the EPA Regional Hearing Clerk.

XI. PARTIES BOUND

48. This Consent Agreement and the accompanying Final Order shall apply to and be binding upon the EPA, the Respondent and the Respondent’s successors, agents and assigns.

XII. EFFECTIVE DATE

49. The effective date of this Consent Agreement and the accompanying Final Order (which is signed by the Regional Administrator of EPA Region III, or his designee, the Regional Judicial Officer), shall be the date the CAFO is filed with the EPA Regional Hearing Clerk pursuant to the Consolidated Rules of Practice.

XIII. ENTIRE AGREEMENT

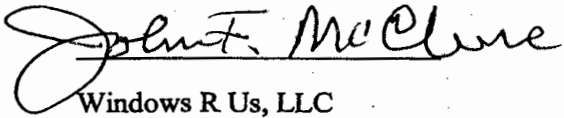

50. This Consent Agreement and the accompanying Final Order constitute the entire agreement and understanding of the parties regarding settlement of all claims pertaining to the specific violations alleged herein and there are no representations, warranties, covenants, terms, or conditions agreed upon between the parties other than those expressed in this CAFO.

XIV. EXECUTION
