Dear Ms. DiRocco:

Enclosed are the revised Title Page, Table of Contents, and Section I of your Title V Facility Permit for the BP West Coast Products Carson Crude Terminal located at 24696 Wilmington Avenue, Carson, CA. The revised permit reflects the following changes:

Section I: PLANS AND SCHEDULES

Application No.	Plan/Description
401675	Approval of Inspection & Maintenance Plan for Rule 463 – Organic Liquid Storage.

This revision is considered a "minor permit revision" to the Title V permit. The proposed permit was submitted to the EPA for review on October 12, 2012. No comments were received during the EPA comment period.

Please review the attached section carefully. Insert the enclosed section into your Title V Facility Permit and discard the earlier version.

The operation of your facility is bound by the conditions and/or requirements stated in the facility Permit to Operate. If you determine there are administrative errors, or if you have any questions, please contact Mr. Thomas Liebel, Senior A.Q. Engineer at (909) 396-2554 or by e-mail at tliebel@aqmd.gov within 30 day of the receipt of your permit.

Very truly yours,
