RECEIVED
EPA REGION IV

CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is Airview Utilities, LLC.

2. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

3. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b) and 22.18(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

4. Respondent is Airview Utilities, LLC, a company doing business in the Commonwealth of Kentucky.

5. Respondent is a "person" as defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7).

6. Respondent owns and operates a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

7. Respondent's facility is located at Highway 31 West, Elizabethtown, Kentucky.

III. EPA's Allegation of Violation

8. Section 312 of EPCRA, 42 U.S.C. § 11022, and the regulations found at 40 C.F.R. Part 370, provide that the owner or operator of a facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under that Act, shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility on or before March 1 annually, a completed emergency and hazardous chemical inventory form (Tier I or Tier II) as described in 40 C.F.R. Part 370, containing the information required by that part for hazardous chemicals present at the facility at any one time in the calendar year in amounts equal to or greater than 10,000 pounds and containing the information required by that part for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less.

9. At some time during the calendar years of 2007, 2008, and 2009, chlorine was present at the facility in an amount equal to or greater than 100 pounds.

10. Chlorine is an "extremely hazardous substance" as defined under Section 329(3) of EPCRA, 42 U.S.C. § 11049(3), and 40 C.F.R. Part 355, Appendices A & B, for which Respondent is required to prepare or have available an MSDS under OSHA at its facility.

11. Respondent failed to submit a completed Emergency and Hazardous Chemical Inventory Form for chlorine to the SERC, the LEPC, and fire department with jurisdiction over the facility for calendar years 2007, 2008, and 2009 by March 1 of the following year.

12. EPA alleges that Respondent violated the reporting requirements of Section 312 of EPCRA, 42 U.S.C. § 11022, at its facility for calendar years 2007, 2008, and 2009 and is therefore subject to the assessment of penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

13. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, EPA may assess a penalty of not more than \$37,500 for each violation of Section 312 that occurred after January 12, 2009. Each day a violation of Section 312 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by Administrative Order.

IV. Consent Agreement

14. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

15. Respondent waives any right to contest the allegations and its right to appeal the proposed final order accompanying the Consent Agreement.

16. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

17. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA at the facility.

18. Compliance with the CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States other than as expressed herein. Complainant does not waive any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

19. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of EPCRA.

22. For the purposes of state and federal income taxes, Respondent shall not be entitled, and agrees not to attempt, to claim a deduction for any civil penalty payment made pursuant to this CAFO. Any attempt by Respondent to deduct any such payments shall constitute a violation of this CAFO.

23. If Respondent fails to make one of the installment payments in accordance with the schedule set forth above, and if such payment is not made within 30 days after the due date, that payment plus all subsequent payments (the entire unpaid balance) and all accrued interest shall become immediately due and payable on the 31st day from such due date. In addition, Respondent shall be liable for and shall pay administrative handling charges and late payment penalty charges as described below in the event of any such failure or default.

24. Further, if Respondent fails to pay the installment payments in accordance with the schedule set forth above, EPA may refer the debt to a collection agency, a credit reporting

25. Notwithstanding Respondent's agreement to pay the assessed civil penalty in accordance with the installment schedule set forth above, Respondent may pay the entire civil penalty of NINE THOUSAND DOLLARS (\$9,000) within thirty (30) calendar days after the date on which a copy of this CAFO is mailed or hand-delivered to Respondent and, thereby, avoid the payment of interest pursuant to 40 C.F.R. § 13.11(a). In addition, Respondent may, at any time after commencement of payments under the installment schedule, elect to pay the entire principal balance remaining, together with interest accrued up to the date of such full payment.

26. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. In accordance with 40 C.F.R. § 13.11(a), interest on any civil penalty assessed in a CAFO begins to accrue on the date that a copy of the CAFO is mailed or hand-delivered to the Respondent. However, EPA will not seek to recover interest on any amount of such civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). A charge will also be assessed to cover the administrative costs, both direct and indirect, of overdue debts. In addition, a late payment penalty charge shall be applied on any principal amount not paid within 90 days of the due date.
