**RE: Request for 30 day extension
Docket No. CWA-01-2009-0067**

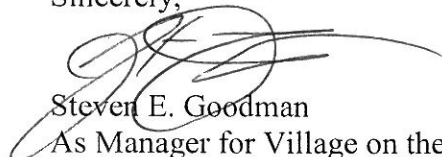

Dear Ms. Santiago,

This is a formal request for an additional thirty (30) day extension for docket No. CWA-01-2009-0067; to submit a written Answer to the complaint made by The U.S. Environmental Protection Agency.

The reason for this additional thirty (30) day extension request is because after the informal settlement meeting which was held on August 21, 2009, Village on the Common Realty, LLC has been diligently working with Mary Medeiros, EPA Financial Analyst and William Chin, the EPA Counsel. Village on the Common Realty, LLC submitted the requested financials to Mr. Chin on August 27, 2009; which indicated why VTC cannot pay. Village on the Common Realty, LLC then received a request for additional information from Mary Medeiros on Sept 2, 2009. The requested information was submitted to Ms. Medeiros on October 1, 2009.

Mr. Chin is aware of this extension request and does not object.

Sincerely,

Steven E. Goodman
As Manager for Village on the Common Realty, LLC
