Re: In The Matter of Rodney O. Corr, Docket No. CWA-04-2008-5505

Dear Mr. Corr:

Administrative Law Judge Barbara A Gunning, the presiding Administrative Law Judge for the above captioned matter, issued an Order on January 26, 2009. The Order directs the parties to hold a settlement conference to attempt to reach a resolution of the matter. The United States Environmental Protection Agency (EPA) always prefers settling matters without the time and expense of litigation. And, I welcome the opportunity to begin a dialogue with you to discuss the issues and seek common ground so we can reach resolution of this matter as amicably and as expediently as possible.

The February Order further directs the parties to hold the settlement conference on or before February 23, 2009, which is only three weeks from the date of this letter. As you have not provided EPA with a phone number at which you can be reached, it is imperative that you contact me, as soon as possible, so that we can set a date for the settlement conference. Please give this matter your immediate attention so that we do not miss the deadline for settlement conference, and violate the Order issued by Administrative Law Judge Gunning.

You can contact me, Wilda Cobb, Associate Regional Counsel, at (404)-562-9530. I look forward to working with you to reach settlement of this matter.

Sincerely,

Wilda W. Cobb
Associate Regional Counsel
