U.S. ENVIRONMENTAL  
PROTECTION AGENCY-REG. II

REGIONAL HEARING  
CLERK

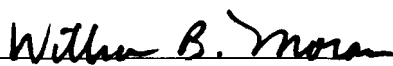

NOTICE OF HEARING

The Parties have confirmed availability for a hearing commencing at 9:30 a.m. on Tuesday, May 4, 2010 and continuing, as necessary, through Wednesday, May 6, 2010 in San Juan, PR.

The regional hearing clerk is directed to determine the availability of a courtroom for the dates above and to advise the Court as to the arrangements. If a courtroom is not available in the city stated above, the regional hearing clerk is directed to find a courtroom in the closest available city

No dispositive motions may be filed after March 12, 2010 such as motions for Accelerated Decisions. In addition to complying with the procedural rules requirements regarding filing, motions are also to be filed by facsimile with the Court.

In addition to the paper filing requirements for post-hearing briefs, as set forth at 40 C.F.R § 22.26, the parties are to submit, *to the court only*, a floppy disc version of the post-hearing briefs and replies thereto, in "Word Perfect" format. The parties are advised that the purpose behind requiring that a floppy disk in Word Perfect format, be included with all motions and briefs is to make it possible for the Court to quote liberally from those documents in creating its orders and decisions. The Court's orders and decisions are created using Word Perfect software. Therefore, please do not have the disk version of the document encoded or otherwise adorned with boxes which make it difficult or impossible to cut and paste from those submissions, as that defeats the purpose of the requirement.
