     Re: Closure - Administrative Order for Compliance, EPA Docket No. CWA-08-2010-0017

Dear Mr. Timmons:

The U.S. Environmental Protection Agency (EPA) has reviewed the Project Completion/Certification, dated March 3, 2015, for Timber Development Corporation's restoration project in Jamestown, North Dakota. Based on this review, the EPA has determined that Timber Development Corporation and Timber Jamestown Properties, L.P. have satisfactorily completed all of the requirements of the Administrative Order for Compliance (Order) issued to them on June 23, 2010. Accordingly, this Order is now considered closed. Please be advised that closure of this Order does not relieve or change the obligation to comply with the Clean Water Act and all other applicable federal, state, and local laws.

If you have any technical questions regarding this matter, the most knowledgeable person on my staff is Kenneth Champagne, Section 404 Enforcement Officer, who can be reached at 303-312-6608. Any questions from counsel should be directed to Peggy Livingston, Enforcement Attorney, at 303-312-6858. Thank you for your timely completion of the requirements of the Order.
