Re: Motion for Adjournment of Time

Dear Mr. Carroll,

My office has reviewed the Regional Judicial Officer's ("RJO") June 1, 2015 Order in Response to Respondent's Motion for Adjournment of Time ("the Order"). This letter serves to notify you that we disagree with RJO's calculation of the due date. An adjournment of 45 days from the date of receipt of our Motion for an Accelerated Decision, which we agreed would be May 8, 2015, would have resulted in a June 21, 2015, due date. Instead, the RJO granted you a 60 day extension of time to answer, or to July 7, 2015, to respond. Rather than oppose the Order and distract you during your response time, this letter hereby notifies you that under these circumstances, we would not consent to further extensions of time.

If you have any questions, please do not hesitate to contact me at (212) 637-3231.

Sincerely,

Lauren Fischer
