SETTLEMENT STATUS REPORT

AND

UNOPPOSED MOTION FOR EXTENSION OF TIME
TO FILE A CONSENT AGREEMENT AND FINAL ORDER
OR PREHEARING EXCHANGES

Settlement Status Report

Complainant United States Environmental Protection Agency Region 8 (Complainant), by and through undersigned counsel, respectfully reports that the parties have reached a settlement in principle. The parties' agreement resolves all allegations made in the complaint, as well as additional matters discovered by Complainant after the complaint was filed.

Unopposed Motion for Extension of Time to
File a Consent Agreement and Final Order
or Prehearing Exchanges

The Presiding Officer's Prehearing Order in this matter dated May 17, 2013, directs the parties to file a fully executed consent agreement and final order no later than June 28, 2013, or submit prehearing exchanges according to the following schedule: June 28, 2013 - Complainant's initial prehearing exchange; July 19, 2013 - Respondent's prehearing exchange; August 2, 2013 -

RECEIVED BY OAL-3
2013 JUN 29 10:13-04

Complainant's rebuttal prehearing exchange. Complainant United States Environmental Protection Agency Region 8, by and through undersigned counsel, respectfully moves for an extension of these deadlines (Motion).

This Motion is made pursuant to Section 22.7 of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits, 40 C.F.R. § 22.7. The undersigned has spoken with counsel for Respondent about this Motion. Counsel for Respondent has authorized the undersigned to inform the Presiding Officer that counsel for Respondent has no objection to this Motion.

Although the parties have reached a settlement in principle, the parties have not had the opportunity to negotiate and execute a consent agreement. Further, because the parties intend to settle both the matters alleged in the complaint and other related matters discovered by Complainant after the complaint was filed, Complainant must first move this court to allow the amendment of the complaint to incorporate the additional matters. Counsel for Respondent has authorized the undersigned to inform the Presiding Officer that counsel for Respondent presently does not expect to object to Complainant's motion to amend the complaint.

If the Presiding Officer grants the motion to amend the complaint the parties will execute a consent agreement as promptly as possible thereafter and file the executed consent agreement with the Regional Judicial Officer for inclusion in a consent order, if appropriate, pursuant to 40 C.F.R. § 22.18(b)(2).

Complainant, therefore, requests an extension of time to file either the fully executed consent agreement and final order, or its initial prehearing exchange from June 28, 2013, to July 26, 2013; and if necessary, an extension of time for Respondent to file its prehearing exchange to August 16, 2013, and Complainant to file its rebuttal prehearing exchange to August 30, 2013.

Respectfully submitted,

United States Environmental Protection Agency Region 8
