COMPLAINANT'S MOTION TO AMEND ORDER SCHEDULING HEARING

For the reasons set forth below, Complainant U.S. Environmental Protection Agency Region 10 ("EPA") hereby moves the Presiding Officer to amend the Order Scheduling Hearing issued on March 13, 2012, to reschedule the date of the hearing.

One of EPA's witnesses reports that she has a longstanding family commitment involving a trip with her elderly parents beginning on June 26, 2012 (the day the hearing

is scheduled to start) through July 6, 2012. Reservations for the trip were made over a year ago and cancelling the trip would create a hardship on the witness and her parents.

I have talked with all of the EPA witnesses to determine the dates when they will not be available in the months of July, August and September. All EPA witnesses and counsel will not be available on the following days: June 26 – July 13; August 6 – 10 and August 27 – September 5. EPA witnesses will be available on any other work days in July, August, and September and will prioritize the hearing over all other work commitments.

I have contacted Mr. Oh and his associate, Greg Tift, to determine if Mr. Oh would oppose this motion. Mr. Tift responded indicating that Mr. Oh does not oppose the motion and that Mr. Oh and his witnesses will be available the same time EPA witnesses are available in July, August and September.

Respectfully submitted this 19th day of March, 2012.

Deborah E. Hilsman
Assistant Regional Counsel
U.S. Environmental Protection Agency
Region 10
