Dear Mr. Sutey:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2009-0013, issued to the Sutey Oil Company on December 30, 2008 for violations at the Thriftway Super Stop Bozeman. The EPA has determined that the Sutey Oil Company has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the Sutey Oil Company is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Paquin at 406-457-5026. Thank you for resolving these issues.
