4. Respondent waives any right to contest the allegations and its right to appeal the proposed final order contained in this CAFO and waives all defenses which have been raised or could have been raised to the claims in the CAFO.
5. The CAFO resolves only those violations which are alleged herein.
6. Respondent consents to the issuance of this CAFO as the most appropriate means of settling EPA's allegations without any adjudication of issues of law or fact, consents to the assessment and payment of the civil penalty in the amount and by the method set out in this CAFO, and consents to the compliance order in this CAFO.
