I. Statutory Authority

1. This is a civil penalty proceeding under Section 309(g)(1) of the Clean Water Act (CWA), 33 U.S.C. § 1319(g)(1), and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders and the Revocation, Termination or Suspension of Permits*, published at 64 Fed. Reg. 40176 (July 23, 1999), codified at 40 Code of Federal Regulations (C.F.R.) Part 22 (Part 22).

2. The authority to take action under Section 309(g)(1) of the CWA, 33 U.S.C. § 1319(g)(1), is vested in the Administrator of the United States Environmental Protection Agency (EPA). The Administrator has delegated this authority to the Regional Administrator Region 4, who in turn has delegated this authority to the Director of the Water Management Division of EPA Region 4 (Complainant).

II. Statutory and Regulatory Background

3. Section 309(g)(1) of the CWA, 33 U.S.C. § 1319(g)(1), states "[w]henever, on the basis of any information available - the Administrator finds that any person has violated [section 301 of the CWA, 33 U.S.C. § 1311], . . . the Administrator . . . may, after consultation with the State in which the violation occurs, assess a class I civil penalty or a class II civil penalty under [33 U.S.C. § 1319(g)(2)(B)]."

4. Section 301(a) of the CWA, 33 U.S.C. § 1311(a), states "[e]xcept as in compliance with . . . [Section 404 of the CWA, 33 U.S.C. § 1314], the discharge of any [dredged or fill material] by any person shall be unlawful." Section 404 of the CWA, 33 U.S.C. § 1344, authorizes the Secretary of the Army, acting through the Chief of Engineers, U.S. Army Corps of Engineers (COE), to issue permits for the discharge of dredged or fill material into navigable waters.

5. Section 502(12) of the CWA, 33 U.S.C. § 1362(12), defines a "discharge of pollutants" as "[a]ny addition of any pollutant to navigable waters from any point source . . ."

6. Section 502(14) of the CWA, 33 U.S.C. § 1362(14), defines “point source” as “[a]ny discernible, confined and discrete conveyance, including but not limited to any pipe, ditch, channel, tunnel, conduit [or] discrete fissure . . . from which pollutants are or may be discharged.”

7. Section 502(7) of the CWA, 33 U.S.C. § 1362(7), defines “navigable waters” as “[t]he waters of the United States, including the territorial seas.”

8. Federal regulations under 40 C.F.R. § 232.2 define the term “waters of the United States” to include “wetlands.”

9. Federal regulations under 40 C.F.R. § 232.2 and 33 C.F.R. § 328.3(b) define “wetlands” as “[t]hose areas that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions.”

III. Allegations

10. The term “Discharge Area” means the jurisdictional waters that have been impacted either through filling or dredging as a result of the unauthorized activities that are the subject of this enforcement action. More specifically, the Discharge Area is lot 15, Block 8, in the amended plat of Winston Waterways No. 2, in Section 22, Township 61S, Range 39E, Key Largo, Monroe County, Florida, at 80°24'46.73"W Longitude and 25°07'01.46"N Latitude. The Discharge Area is indicated on the enclosed Exhibits A and B.

11. The term “Site” means the parcel or parcels of land on which the Discharge Area is located.

12. Respondent, at all times relevant to this Consent Agreement and Final Order, was the owner and operator of the Site.

13. Respondent is a person within the definition set forth under section 502(5) of the CWA, 33 U.S.C. § 1362(5).

14. Commencing on or about August 3, 2007, Respondent, or those acting on behalf of the Respondent, discharged dredged and/or fill material into wetlands on the Site using earth moving machinery, during unauthorized activities associated with the filling of wetlands for residential development.

15. Respondent impacted approximately 5,000 square feet of wetlands (Discharge Area) that are abutting an unnamed manmade canal connecting to the Atlantic Ocean.

16. The discharged dredged and/or fill material, including earthen material deposited at the Discharge Area, are “pollutants” as defined under the CWA § 502(6).

17. The earth moving machinery employed by the Respondent to deposit the dredged and/or fill material at the Discharge Area are "point sources" as defined under the CWA § 502(14).

18. Respondent's placement of the dredged and/or fill material at the Discharge Area constitutes a "discharge of pollutants" as defined under the CWA § 502(12).

19. At no time during the discharge of dredged and/or fill material at the Discharge Area on or about August 3, 2007, to the present, did the Respondent possess a permit under Section 404 of the CWA, 33 U.S.C. § 1344, authorizing the activities performed by Respondent. Each discharge by Respondent of pollutants into navigable waters without the required permit issued under Section 404 of the CWA, 33 U.S.C. § 1344, is a violation of Section 301(a) of the CWA, 33 U.S.C. § 1311(a).

20. Each day the material discharged by Respondent remains in waters of the United States without the required permit under Section 404 of the CWA, 33 U.S.C. § 1344, constitutes a day of violation of Section 301 of the CWA, 33 U.S.C. § 1311.

IV. Stipulations and Findings

21. Complainant and Respondent have conferred for the purpose of settlement under 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without gathering any evidence or testimony, making of any argument, or adjudicating any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Administrative Consent Agreement and Final Penalty Order will simultaneously commence and conclude this matter.

22. For the purposes of this CAFO, Respondent neither admits nor denies the jurisdictional allegations set out above and the factual allegations set out above.

23. Respondent hereby waives his/her/its right to contest the allegations set out above and its right to appeal the Final Order accompanying this Consent Agreement.

24. Respondent consents to the assessment of and agrees to pay the administrative penalty as set forth in this CAFO and consents to the other conditions set forth in this CAFO.

25. By signing this CAFO, Respondent certifies that the information he has supplied concerning this matter was at the time of submission, and is, truthful, accurate, and complete for each such submission, response and statement. Respondent realizes that there are significant penalties for submitting false or misleading information, including the possibility of fines and/or imprisonment for knowing submission of such information.

26. EPA reserves the right to assess and collect any and all civil penalties for any violation described in this Consent Agreement to the extent that any information or certification provided by Respondent was materially false or inaccurate at the time such information or certification was provided to EPA.

27. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of the CWA.

V. Payment

28. Under Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), and 40 C.F.R. Part 19, and considering the nature of the violations and other relevant factors, EPA has determined that five thousand dollars (\$5,000) is an appropriate civil penalty to settle this action.

29. Respondent shall submit payment of the penalty specified in the preceding paragraph within 30 days of the effective date of this CAFO via a cashier's or certified check, payable to the order of "Treasurer, United States of America." The check shall reference on its face the name of Respondent and the Docket Number of this CAFO. Such payment shall be tendered to:

U.S. Environmental Protection Agency
Cincinnati Finance Center
PO Box 979077
St. Louis, MO 63197-9000

30. At the time of payment, Respondent shall send a separate copy of the check, and a written statement that payment has been made in accordance with this CAFO, to the following persons at the following addresses:

Regional Hearing Clerk
U.S. Environmental Protection Agency - Region 4
61 Forsyth Street, S.W.
Atlanta, Georgia 30303-8960

and

Mara Lindsley
U.S. Environmental Protection Agency - Region 4
Wetlands Regulatory Section
61 Forsyth Street, S.W.
Atlanta, Georgia 30303-8960

31. Civil penalty payments under this CAFO are penalties within the meaning of Section 162(f) of the Internal Revenue Code, 26 U.S.C. § 162(f), or of 26 C.F.R. § 1.162-21 and are not tax deductible expenditures for purposes of federal law.

32. Under 40 C.F.R. § 13 and 31 U.S.C. § 3717 et seq., if EPA does not receive payment of the penalty assessed by this CAFO in full by its due date, interest shall accrue on the unpaid balance from the due date through the date of payment at an annual rate equal to the rate of the current value of funds to the United States Treasury as prescribed and published by the Secretary of the Treasury. If all or part of the payment is overdue, EPA will assess a late-payment handling charge of \$15.00, with an additional delinquent notice charge of \$15.00 for each subsequent 30 day period. EPA will also assess on a monthly basis an up to six per cent per annum penalty on any principal amount not paid within 90 days of the due date.

33. Under Section 309(g)(9) of the CWA, 33 U.S.C. § 1319(g)(9), failure by the Respondent to pay the penalty assessed by the CAFO in full by its due date may subject the Respondent to a civil action to collect the assessed penalty plus interest (at currently prevailing rates from the effective date of this CAFO), attorney's fees, costs for collection proceedings and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be in an amount equal to 20 percent of the aggregate amount of such penalty and nonpayment penalty which are unpaid as of the beginning of such quarter. In any such collection action, the validity, amount and appropriateness of the penalty and of this CAFO shall not be subject to review.

VI. General Provisions

34. This CAFO shall not relieve Respondent of his obligation to comply with all applicable provisions of federal, state, or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit. Other than as expressed herein, compliance with this CAFO shall not be a defense to any actions subsequently commenced under federal laws and regulations administered by the EPA.

35. Nothing in this CAFO shall be construed as prohibiting, altering, or in any way limiting the ability of United States to seek any other remedies or sanctions available by virtue of Respondent's violation of this CAFO or of the statutes and regulations upon which this agreement is based, or for Respondent's violation of any federal or state statute, regulation or permit.

36. Except as otherwise set forth in this document, this CAFO constitutes a settlement by Complainant and Respondent of all claims for civil penalties under the CWA with respect to only those violations alleged in this CAFO. Except as otherwise set forth in this document, compliance with this CAFO shall resolve the allegations of violations contained in this CAFO. Nothing in this CAFO is intended to nor shall be construed to operate in any way to resolve any criminal liability of the Respondent, or other liability resulting from violations that were not

alleged in this CAFO. Other than as expressed in this document, Complainant does not waive any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

37. Each undersigned representative of the parties to this CAFO certifies that he or she is fully authorized to enter into the terms and conditions of this CAFO and to execute and legally bind that party to it.

38. This CAFO applies to and is binding upon Respondent and any officers, directors, employees, agents, successors and assigns of Respondent.

39. Any change in the legal status of Respondent including, but not limited to, any transfer of assets of real or personal property, shall not alter Respondent's responsibilities under this CAFO.
