FINAL ORDER

I. BACKGROUND

On October 16, 2008, the Environmental Appeals Board ("Board") received for review and ratification a Consent Agreement and Proposed Final Order ("Agreement")¹ from the EPA's Office of Enforcement and Compliance Assurance ("OECA", also referred to as "Complainant") in accordance with 40 C.F.R. § 22.18(b)(3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. pt. 22

¹ The same submittal requested that the Board approve changes to forty-one previously ratified Agreements, transfer six of the ratified Agreements, and vacate twenty-four of the Agreements. Memorandum from Granta Y. Nakayama on Consent Agreements and Proposed Final Orders for Animal Feeding Operations to Environmental Appeals Board (Oct. 16, 2008). The Board will rule on these requests in separate orders. Thus, this Order only applies to Maulsby Farms, LLC, hereinafter referred to as "Respondent".

("Part 22").² This Agreement is part of a large group of proposed agreements EPA has received in response to a nationwide offer EPA made to animal feeding operations ("AFOs") in the egg, broiler, chicken, turkey, dairy, and swine industries that meet the definition of an AFO under the Clean Water Act. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958, 4959 (Jan. 31, 2005).

EPA offered AFOs the opportunity to sign consent agreements to resolve potential liabilities under the Clean Air Act ("CAA"), CAA §§ 101-618, 42 U.S.C §§ 7401-7671q, the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), CERCLA §§ 101-405, 42 U.S.C. §§ 9601-967, and the Emergency Planning and Community Right-To-Know Act ("EPCRA"), EPCRA §§ 301-330, 42 U.S.C. §§ 1101-11050. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958 (Jan. 31, 2005); see also Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 40016 (July 12, 2005).

² According to section 22.18(b)(3), settlements or consent agreements arising from proceedings commenced at EPA Headquarters need the Board's approval before becoming final Agency action. 40 C.F.R. § 22.18(b)(3) ("No settlement or consent agreement shall dispose of any proceeding under these Consolidated Rules of Practice without a final order from * * *, in a proceeding commenced at EPA Headquarters, the Environmental Appeals Board, ratifying the parties' consent agreement."). See also *id.* § 22.4(a) ("The Environmental Appeals Board * * * approves settlements of proceedings under these Consolidated Rules of Practice commenced at EPA Headquarters").

Under the model agreement published in the January 31, 2005 Federal Register notice, participating AFOs will pay a civil penalty based on the number and size of the farms and the number of animals at each AFO covered by the Agreement, in accordance with a table set forth therein. Participating AFOs would also share responsibility for funding a two-year nationwide emissions monitoring study aimed at the development of methodologies for estimating emissions from AFOs, which in turn would be used to determine participating companies' regulatory status and compliance under the CAA, CERCLA, and EPCRA. As part of the Agreements, the companies would receive a release and covenant not to sue for potential civil violations of specified requirements of these statutes that may have already occurred or that may occur during the study period.

The Agreement between OECA and Maulsby Farms, LLC³ (the "Maulsby Agreement") is one of two thousand six hundred and twenty final Agreements the Board has received for review and ratification under this initiative. The first group consisted of twenty Agreements, which, after careful examination,⁴ the Board

ratified by Final Order dated January 27, 2006. See Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB Jan. 27, 2006). In its review of the first twenty Agreements, the Board found that: (1) the Agreements were administrative penalty orders subject to Board review; (2) the Agreements did not violate the Clean Air Act or Part 22; and (3) the penalty amounts set forth in the Agreements followed the applicable statutory penalty criteria and any deviations from EPA's penalty policies were appropriately explained. *Id.* 8-34. memorandum answering several questions. The Board also scheduled a hearing inviting OECA and any interested Respondents to address the areas identified in the order. See Order Scheduling Hearing and Requesting Supplemental Information (EAB Nov. 18, 2005). On December 6, 2005, the Board received a joint request from various community and environmental groups (collectively referred to as "AIR"), seeking, among other things, to file a memorandum to respond to OECA's supplemental brief and asking to participate at the hearing. By order dated December 8, 2005, the Board granted AIR the opportunity to participate at the hearing. See Order Granting Opportunity to Participate at Hearing and Allocating Time (EAB Dec. 8, 2005). By a separate order, the Board allowed AIR to file a non-party brief. See Order Denying Motion for Leave to Intervene (EAB Dec. 8, 2005).

The Board held the hearing on December 13, 2005. OECA, counsel for six of the Respondents, and AIR participated at the hearing. On December 20, 2005, AIR filed a non-party brief responding to OECA's supplemental brief. On January 6, 2006, OECA and Respondents each filed a response brief to AIR's non-party brief. Upon consideration of all responsive filings, the Board issued a Final Order on January 27, 2006, ratifying the Agreements.

⁵ On April 17, 2006, the Board ratified the second group of

ratified a total of two thousand six hundred and twenty final Agreements. The discussion and findings in these earlier orders apply with equal force to this Agreement as well.

In its transmittal memorandum, OECA represents that the Maulsby Agreement is identical to the agreements the Board previously ratified, the model agreement published in the January 31, 2005 Federal Register notice, and the sample Agreement attached to its transmittal memorandum.⁶ The transmittal memorandum further states that the penalty the Maulsby Agreement

The fourth group, consisting of one thousand two hundred and five Agreements, was ratified by the Board on July 19, 2006. The fifth group, consisting of three hundred and fifty-three Agreements, was ratified on August 7, 2006. See Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB Aug. 7, 2006). On August 16, 2006, the Board received the sixth group, which consisted of two Agreements. The Board ratified these two Agreements in separate orders; one order was issued on August 17, 2006, see Consent Agreement and Proposed Final Order for Animal Feeding Operations - Foster Brothers Farm, Inc. (EAB Aug. 17, 2006), the other one was issued on August 21, 2006, see Consent Agreement and Proposed Final Order for Animal Feeding Operations - Seaboard Farms LP (EAB Aug. 21, 2006). The seventh group, consisting of fifty-two Agreements was ratified on December 12, 2006.
