ORDER GRANTING REQUEST TO WITHDRAW PETITION FOR REVIEW

By joint motion dated June 13, 2002, the Town of Concord ("Concord"), the petitioner in the above-referenced matter, and US EPA Region I ("the Region"), move to withdraw the above-referenced petition filed with the Environmental Appeals Board ("the Board") by Concord under the provisions of 40 C.F.R. Part 124. In their joint motion the parties explain that they have reached a negotiated resolution to the issues raised by Concord on appeal, that a permit modification issued by the Region reflecting the negotiated resolution has become final, and that the matter before the Board is now moot.

For good cause shown, the parties' request to withdraw NPDES Appeal No. 01-24 is hereby granted, and the Board hereby dismisses with prejudice the appeal in its entirety.

So ordered.
