ORDER GRANTING WITHDRAWAL REQUEST

On November 15, 2000, Agrium Kenai Nitrogen Operations ("Agrium") filed a petition contesting a provision of its National Pollutant Discharge Elimination System permit. On December 19, 2000, the Board received a letter from Agrium stating that "Agrium has come to an agreement with the permitting authority on this condition and therefore wishes to withdraw the appeal." Agrium's request is hereby granted, and the petition for review is dismissed with prejudice.

So ordered.
