EXPEDITED SETTLEMENT AGREEMENT

DOCKET NO.: CAA-07-2021-0048

This ESA is issued to: Perryton Equity Exchange
At: 140 S. Kansas Avenue, Liberal, Kansas 67901
for violating Section 112(r)(7) of the Clean Air Act.

The United States Environmental Protection Agency, Region 7 (EPA) and Perryton Equity Exchange (Respondent), have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2).

The Complainant, by delegation of the Administrator of EPA, is the Director of the Enforcement and Compliance Assurance Division. Respondent is Perryton Equity Exchange, a Texas company registered to do business in Kansas and whose registered office in Kansas is located at 140 S. Kansas Avenue, Liberal, Kansas 67901.

This is an administrative action for the assessment of civil penalties instituted pursuant to Section 113(d) of the Clean Air Act (CAA). Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), the Administrator and the Attorney General jointly determined that cases which meet the criteria set forth in the EPA's policies entitled "Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provisions, 40 C.F.R. Part 68," dated January 5, 2004, and "Changes to Restrictions on the Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provisions," dated December 20, 2013, are appropriate for administrative penalty actions.

ALLEGED VIOLATIONS

On or about November 4, 2020, the EPA sent an Information Request Letter (Letter) to Respondent at 140 S. Kansas Avenue, Liberal, Kansas 67901 to determine compliance with the Chemical Accident Prevention Provisions (CAPP), commonly known as the Risk Management Program regulations, promulgated at 40 C.F.R. Part 68 under Section 112(r) of the CAA. The Letter was directed at Respondent's facility located at 2592 Road J, Hugoton, Kansas 67951. The EPA received a response to the Letter on or about December 24, 2020. Based on the response, the EPA found that Respondent had violated regulations implementing Section 112(r) of the CAA by failing to comply with the regulations as noted on the enclosed Chemical Accident Prevention Provisions Information Request Review Findings, which is hereby incorporated by reference.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, the parties enter into this Expedited Settlement Agreement (ESA) in order to settle the violations, described in the enclosed CAPP Information Request Review Findings, for the total penalty amount of **\$2,720**.

This settlement is subject to the following terms and conditions:

Respondent, by signing below, waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained herein and in the CAPP Information Request Review Findings, consents to the assessment of the penalty as stated above, and consents to receiving the filed Agreement electronically at the following e-mail address: prairieola@myequityexchange.com. Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the CAA, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations listed in the enclosed CAPP Information Request Review Findings and has paid the penalty of \$2,720. Penalty payment shall identify Respondent by name and docket number and shall be by electronic payment method described at <http://www.epa.gov/financial/makepayment> or by alternate method of certified or cashier's check made payable to the "United States Treasury" and sent to:
