CLERK

Dear Regional Judicial Hearing Officer Ferrara:

Our firm represents ComStar International Inc. (“ComStar”) in the above FIFRA enforcement matter, to which EPA sent a Complaint and Notice of Opportunity for Hearing on April 12, 2016.

This is to request an extension to September 30, 2016 (2 weeks) of the time for respondent answer the Complaint, currently due today, September 16, 2016. I apologize for the late notice. If granted, this would be the fifth and we believe last extension of time.

The reason for this request is that while respondent and US EPA have agreed on all terms of the consent agreement/final order, they have not yet executed it.

EPA attorney Lee Spielmann has advised me that that he consents to this request for an extension of two weeks to answer the Complaint.

Thank you.

Respectfully,

James J. Periconi
