JOINT MOTION FOR STAY OF PREHEARING ORDER

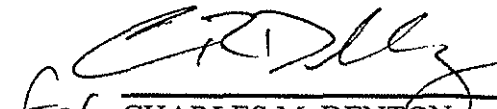

Complainant, the Environmental Protection Agency (EPA), Region 7, jointly with Respondent, Collis, Inc., files this motion to stay the Prehearing Order issued September 10, 2012, so that the Parties may finalize a settlement agreement incorporating one or more Supplemental Environmental Projects (SEPs) to be performed by Respondent.

Under the existing order, either a fully-executed Consent Agreement and Final Order or Complainant's Prehearing Exchange is due to be filed no later than October 12, 2012, with Respondent's Prehearing Exchange due November 2, 2012, and Complainant's Rebuttal Prehearing Exchange due November 16, 2012. By this motion, the Parties request that these dates be changed, respectively, to November 16, 2012, December 7, 2012, and December 21,

2012. This change will allow Respondent time to gather and submit information in support of its proposed SEPs, and Complainant to review the information and, if approved, incorporate the SEPs into a Consent Agreement and Final Order resolving the matter.

DATED this 1st day of October, 2012.
