THIRD ORDER EXTENDING STAY OF PROCEEDINGS
TO ALLOW PARTIES TO PARTICIPATE IN THE BOARD'S
ALTERNATIVE DISPUTE RESOLUTION PROGRAM

On June 16, 2023, Sierra Club and Conservation Law Foundation petitioned the Environmental Appeals Board (“Board”) to review certain conditions of National Pollutant Discharge Elimination System permit no. NH0001473, which the United States Environmental Protection Agency (“EPA”) Region 1 issued to GSP Schiller LLC. On July 7, 2023, GSP Schiller LLC filed a Notice of Appearance with the Board. Sierra Club, Conservation Law Foundation, EPA Region 1, and GSP Schiller LLC agreed to participate in the Board’s Alternative Dispute Resolution (“ADR”) program. On July 13, 2023, the Board issued an order staying all proceedings until September 11, 2023, to allow for the ADR process to proceed. The Board issued additional orders extending the stay through December 22, 2023.

The settlement judge has notified the panel that the parties are continuing to make progress towards resolution of the matter and that a further stay of the proceeding until sixty days beyond the expiration of the current stay is warranted. Accordingly, all proceedings in this matter are stayed until **Tuesday, February 20, 2024**.

So ordered.

Dated: December 15, 2023
