FINAL ORDER

I. BACKGROUND

On July 18, 2006, the Environmental Appeals Board ("Board") received for review and ratification one thousand two hundred and five Consent Agreements and Proposed Final Orders ("Agreements")¹ from the EPA's Office of Enforcement and Compliance Assurance ("OECA", also referred to as "Complainant"), in accordance with 40 C.F.R. § 22.18(b) (3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R.

¹ The Office of Enforcement and Compliance Assurance provided a list of the one thousand two hundred and five companies (or "Respondents") that entered into these Agreements. See Attachment A to Memorandum from Granta Y. Nakayama on Consent Agreements and Proposed Final Orders for Animal Feeding Operations to Environmental Appeals Board (July 13, 2006). This attachment has been incorporated into this Order as Attachment 1. This Order applies to all the Respondents listed in the Attachment.

pt. 22 ("Part 22").² The Agreements are part of a large group of proposed agreements EPA has received in response to a nationwide offer EPA made to animal feeding operations ("AFOs") in the egg, broiler, chicken, turkey, dairy, and swine industries that meet the definition of an AFO under the Clean Water Act. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958, 4959 (Jan. 31, 2005).

EPA offered these AFOs the opportunity to sign consent agreements to resolve potential liabilities under the Clean Air Act ("CAA"), CAA §§ 101-618, 42 U.S.C §§ 7401-7671q, the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), CERCLA §§ 101-405, 42 U.S.C. §§ 9601-967, and the Emergency Planning and Community Right-To-Know Act ("EPCRA"), EPCRA §§ 301-330, 42 U.S.C. §§ 1101-11050. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958 (Jan. 31, 2005); see also Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 40016 (July 12, 2005).

² According to section 22.18(b)(3), settlements or consent agreements arising from proceedings commenced at EPA Headquarters need the Board's approval before becoming final Agency action. 40 C.F.R. § 22.18(b)(3) ("No settlement or consent agreement shall dispose of any proceeding under these Consolidated Rules of Practice without a final order from * * *, in a proceeding commenced at EPA Headquarters, the Environmental Appeals Board, ratifying the parties' consent agreement."). See also *id.* § 22.4(a) ("The Environmental Appeals Board * * * approves settlements of proceedings under these Consolidated Rules of Practice commenced at EPA Headquarters").

Under the model agreement published in the January 31, 2005 Federal Register notice, participating AFOs will pay a civil penalty based on the number and size of the farms and the number of animals at each AFO covered by the Agreement, in accordance with a table set forth therein. Participating AFOs would also share responsibility for funding a two-year nationwide emissions monitoring study aimed at the development of methodologies for estimating emissions from AFOs, which in turn would be used to determine participating companies' regulatory status and compliance under the CAA, CERCLA, and EPCRA. As part of the Agreements, the companies would receive a release and covenant not to sue for potential civil violations of specified requirements of these statutes that may have already occurred or that may occur during the study period.

This is the fourth group of Agreements the Board has received for review and ratification under this initiative. The first group consisted of twenty Agreements, which, after careful examination,³ the Board ratified by Final Order dated January 27,

³ On November 18, 2005, after a preliminary examination of the first group of Agreements and the supporting documentation OECA submitted, the Board issued an order identifying various areas that needed clarification and requesting OECA to file a supplemental memorandum answering several questions. The Board also scheduled a hearing inviting OECA and any interested Respondents to address the areas identified in the order. See Order Scheduling Hearing and Requesting Supplemental Information (EAB, Nov. 18, 2005). On December 6, 2005, the Board received a

2006. See Consent Agreements and Proposed Final Order for Animal Feeding Operations (EAB, Jan. 27, 2006). In its review of the first twenty Agreements, the Board found that: (1) the Agreements were administrative penalty orders subject to Board review; (2) the Agreements did not violate the Clean Air Act or Part 22; and (3) the penalty amounts set forth in the Agreements followed the applicable statutory penalty criteria and any deviations from EPA's penalty policies were appropriately explained. *Id.* 8-34. The Board ratified the second group of Agreements, consisting of seven hundred and two Agreements, on April 17, 2006. See Consent Agreements and Proposed Final Order for Animal Feeding Operations (EAB, Apr. 17, 2006). The third group, consisting of two hundred eighty-six Agreements, was ratified on May 5, 2006. See Consent Agreements and Proposed Final Order for Animal Feeding Operations

joint request from various community and environmental groups (collectively referred to as "AIR"), seeking, among other things, to file a memorandum to respond to OECA's supplemental brief and asking to participate at the hearing. By order dated December 8, 2005, the Board granted AIR the opportunity to participate at the hearing. See Order Granting Opportunity to Participate at Hearing and Allocating Time (EAB, Dec. 8, 2005). By a separate order, the Board allowed AIR to file a non-party brief. See Order Denying Motion for Leave to Intervene (EAB, Dec. 8, 2005).

The Board held the hearing on December 13, 2005. OECA, counsel for six of the Respondents, and AIR participated at the hearing. On December 20, 2005, AIR filed a non-party brief responding to OECA's supplemental brief. On January 6, 2006, OECA and Respondents each filed a response brief to AIR's non-party brief. Upon consideration of all responsive filings, the Board issued a Final Order on January 27, 2006, ratifying the Agreements.

(EAB, May 5, 2006). The discussion and findings in these earlier orders apply with equal force to these Agreements as well.

In its transmittal memorandum, OECA represents that the Agreements in this current group are identical to the one thousand and eight Agreements previously ratified by the Board, the model agreement published in the January 31, 2005 Federal Register notice, and the sample Agreement attached to its transmittal memorandum.⁴ The transmittal memorandum further states that each penalty assessed by the Agreements is in accordance with the formula established in Paragraph 48 of the model agreement.⁵

Upon review, the Board hereby issues the following order.

⁴ Memorandum on Consent Agreements and Proposed Final Orders for Animal Feeding Operations from Granta Y. Nakayama to Environmental Appeals Board (July 13, 2006) at 3.

⁵ *Id.* The Board has previously found that this paragraph is consistent with all applicable statutory penalty criteria and that any deviations from applicable penalty policies are appropriate. See Consent Agreements and Proposed Final Order for Animal Feeding Operations (EAB, Jan. 27, 2006) at 25-34.

II. FINAL ORDER

Pursuant to 40 C.F.R. § 22.18(b), the Board issues this Final Order ratifying the Agreement executed by the Complainant and each Respondent listed in Attachment 1 to this Order as submitted to the Board by Complainant on July 18, 2006.
